

**BREAST CANCER
&
CHILDHOOD CANCER**

STRIKING OUT CANCERS - ONE HIT AT A TIME!

Hit a thon

Each year teams from across California come together to raise money for **their own teams** and for **breast cancer and childhood cancer awareness** as well as support for **local families struggling in the fight for their lives**. This fundraiser helps to support local youth sports teams while teaching our kids how important it is to give back to the community that has supported them for so many years. With state and local funding for sports programs being cut more every year, teams need to lean on the community more, and now through Hit4Hope they have a way to give back to the community that has supported them.

THE POWER OF HOPE

- Teams come together as one to raise money for Breast Cancer, Childhood Cancers and local families in the fight for their lives.
- To raise money for their own programs
- To learn how to give to those in need
- To learn how to graciously receive support from the community
- To learn how to donate skills and resources to the community
- To work hard at a skill these athletes need
- To help save lives and support causes
- Hours of Hitting – By Teams and Clubs

OUR GOALS: For Each Player to get a minimum of \$200.00 in pledges (example: 10 pledges for \$20.00 each) NO player will be turned away and NO pledge is too small!

- **30% of all Raised Money by Teams/Schools for Hit-A-Thon Goes to Hit4Hope Charities**
- **70% of all Raised Money by Teams/Schools for Hit-A-Thon - Goes to the Team/School**
- **All checks to be made out to: Hit4Hope**
